Useful tips:

- Use the blog if you want to – make the entries private or public – your choice
- We add stuff to the calendar – and so can you
- Useful glossary links and a 'picture' toolbox, also, why not add to the wiki?
- These links take you to the multimedia learning screens (all have voice so headphones on!)
- These links show the quizzes associated with the learning screens – do the learning screens and quizzes when told to by your instructor!
